To Barbara Nann/R6/USEPA/US@EPA
cc Scott Sherman/DC/USEPA/US@EPA
Subject Gulfco Marine Maintenance Site

Barbara, as you requested last Friday after our call with Mr. Sherman, attached for your review with Mr. Coleman is a draft of the letter that Mr. Coleman has asked that we submit setting out the EE/CA contents with regard to a Non-Time-Critical Removal Action at the Gulfco Marine Site. Because Mr. Sherman initiated Friday's call, I am also providing a copy of this draft letter to him by copy of this correspondence.

As time is of the essence in proceeding, if you could advise me of EPA's response regarding the EE/CA contents by 2:00 Central time tomorrow, Tuesday, June 2nd, it would be most appreciated. Our objective is to finalize and send this letter to Mr. Coleman tomorrow. We may have additional changes to this draft letter after Mr. Bill Mahley, counsel for Chromalloy, has reviewed it and provided any comments he or Chromalloy has. In the interest of time, I wanted to get this draft to you quickly.

Thank you for your help in this matter.

Liz Webb
